

Learning Continuum - Test View

MAP: Reading 2-5 Common Core 2010 V2

[Print](#)**Goal: Literature***Sub-goal:* Literature: Key Ideas and Details

181-190 Reinforce these skills & concepts	191-200 Develop these skills & concepts	201-210 Introduce these skills & concepts
Characterization		
<ul style="list-style-type: none"> • Analyzes dialogue to understand characters • Compares or contrasts characters • Describes character feelings or thoughts • Describes characters based on details • Explains character motivation • Identifies main characters • Recognizes story characters • Understands how characters are developed or changed 	<ul style="list-style-type: none"> • Analyzes dialogue to understand characters • Compares or contrasts characters • Describes character feelings or thoughts • Describes characters based on details • Explains character motivation • Identifies main characters • Understands how characters are developed or changed 	<ul style="list-style-type: none"> • Analyzes dialogue to understand characters • Compares or contrasts characters • Describes character feelings or thoughts • Describes characters based on details • Explains character motivation • Identifies main characters • Understands character relationships • Understands how characters are developed or changed
Inferences, Conclusions, Predictions		
<ul style="list-style-type: none"> • Draws conclusions from literary text • Makes inferences about characters in literary text • Makes inferences about plot in literary text • Makes inferences about setting in literary text • Makes inferences based on a title • Makes inferences from poetry 	<ul style="list-style-type: none"> • Draws conclusions from literary text • Makes inferences about characters in literary text • Makes inferences about plot in literary text • Makes inferences about setting in literary text • Makes inferences based on a title • Makes inferences from poetry 	<ul style="list-style-type: none"> • Draws conclusions from literary text • Makes inferences about characters in literary text • Makes inferences about plot in literary text • Makes inferences about setting in literary text • Makes inferences based on a title • Makes inferences from poetry

<ul style="list-style-type: none"> • Makes predictions from literary text 	<ul style="list-style-type: none"> • Makes predictions from literary text 	<ul style="list-style-type: none"> • Makes predictions from literary nonfiction • Makes predictions from literary text
Locating Information		
<ul style="list-style-type: none"> • Determines cause in literary text • Determines effect in literary text • Locates details about characters in literary text • Locates details about events in literary text • Locates details about setting in literary text 	<ul style="list-style-type: none"> • Determines cause in literary text • Determines details that support the central idea in literary text • Determines effect in literary text • Locates details about characters in literary text • Locates details about events in literary text • Locates details about setting in literary text 	<ul style="list-style-type: none"> • Determines cause in literary text • Determines details that support the central idea in literary text • Determines effect in literary text • Locates details about characters in literary text • Locates details about events in literary text • Locates details about setting in literary text
Main or Central Idea, Topic, Titles		
<ul style="list-style-type: none"> • Determines main idea in literary text • Determines the central idea in literary text • Identifies the best title for a literary text 	<ul style="list-style-type: none"> • Determines main idea in literary text • Determines the central idea in literary text • Identifies the best title for a literary text 	<ul style="list-style-type: none"> • Determines main idea in literary text • Determines the central idea in literary text • Identifies the best title for a literary text
Plot		
<ul style="list-style-type: none"> • Identifies problem/conflict in literary text • Identifies the resolution of conflict in literary text 	<ul style="list-style-type: none"> • Identifies problem/conflict in literary text • Identifies the resolution of conflict in literary text 	<ul style="list-style-type: none"> • Identifies problem/conflict in literary text • Identifies the resolution of conflict in literary text
Sequencing		
<ul style="list-style-type: none"> • Understands sequence in informational text • Understands sequence in literary text 	<ul style="list-style-type: none"> • Understands sequence in informational text • Understands sequence in literary text 	<ul style="list-style-type: none"> • Understands sequence in informational text • Understands sequence in literary text
Setting		
<ul style="list-style-type: none"> • Compares or contrasts setting across literary texts • Draws conclusions about a setting based on a description • Identifies details that reveal aspects of setting • Identifies setting • Recognizes description of setting 	<ul style="list-style-type: none"> • Compares or contrasts setting across literary texts • Draws conclusions about a setting based on a description • Identifies details that reveal aspects of setting • Identifies setting • Recognizes description of setting 	<ul style="list-style-type: none"> • Compares or contrasts setting across literary texts • Draws conclusions about a setting based on a description • Identifies details that reveal aspects of setting • Identifies setting • Recognizes description of setting
Summarizing, Paraphrasing		
<ul style="list-style-type: none"> • Summarizes literary text 	<ul style="list-style-type: none"> • Summarizes a sequence of events in literary text • Summarizes literary text 	<ul style="list-style-type: none"> • Summarizes a sequence of events in literary text • Summarizes literary text • Summarizes poetry
Supporting Details		
	<ul style="list-style-type: none"> • Determines details that support the central idea in literary text 	<ul style="list-style-type: none"> • Determines details that support the central idea in literary text

Theme, Moral, Lesson		
<ul style="list-style-type: none"> • Determines a shared theme in multiple texts • Determines the lesson learned by a character • Determines the moral of a story • Determines theme in literary text 	<ul style="list-style-type: none"> • Determines a shared theme in multiple texts • Determines the lesson learned by a character • Determines the moral of a fable • Determines the moral of a story • Determines theme in literary text • Determines theme in poetry 	<ul style="list-style-type: none"> • Analyzes the development of a shared theme in multiple texts • Determines a shared theme in multiple texts • Determines multiple themes in one text • Determines the lesson learned by a character • Determines the moral of a fable • Determines the moral of a story • Determines theme in literary text • Determines theme in poetry • Identifies details that support the theme in literary text

Sub-goal: Literature: Craft and Structure

181-190	191-200	201-210
Reinforce these skills & concepts	Develop these skills & concepts	Introduce these skills & concepts

Author's Craft: Figurative Language

<ul style="list-style-type: none"> • Identifies simile • Interprets allusion in literary text • Interprets idiom in literary text • Interprets metaphor in literary text • Interprets simile in literary text • Understands the meaning of common idioms 	<ul style="list-style-type: none"> • Analyzes how mood is conveyed in literary text • Analyzes the effect of figurative language in literary text • Identifies metaphor • Identifies onomatopoeia • Identifies simile • Infers the meaning of a phrase in a literary text • Interprets allusion in literary text • Interprets idiom in literary text • Interprets metaphor in literary text • Interprets onomatopoeia in literary text • Interprets simile in literary text • Understands the meaning of common idioms 	<ul style="list-style-type: none"> • Analyzes how mood is conveyed in literary text • Analyzes the effect of figurative language in literary text • Analyzes the effect of word choice in literary text • Identifies alliteration • Identifies idiom • Identifies metaphor • Identifies onomatopoeia • Identifies simile • Identifies symbolism • Infers the meaning of a phrase in a literary text • Interprets allusion in literary text • Interprets extended metaphor in literary text • Interprets idiom in literary text • Interprets irony in literary text • Interprets metaphor in literary text • Interprets onomatopoeia in literary text • Interprets simile in literary text • Interprets symbolism in literary text • Interprets the effect of repetition in literary text • Interprets use of rhyme in poetry • Understands the meaning of common idioms
--	--	--

Author's Craft: Foreshadowing, Flashback

<ul style="list-style-type: none"> • Understands how authors develop characters using flashback 	<ul style="list-style-type: none"> • Identifies flashback in literary text • Identifies foreshadowing in literary text • Understands how authors develop characters using flashback
--	--

Author's Craft: Imagery, Description		
<ul style="list-style-type: none"> Identifies imagery or description Understands that descriptions appeal to different senses 	<ul style="list-style-type: none"> Identifies a literal description that supports a given idea Identifies imagery or description Understands that descriptions appeal to different senses 	<ul style="list-style-type: none"> Identifies a literal description that supports a given idea Identifies imagery or description Understands that descriptions appeal to different senses
Author's Craft: Perspective, Attitude		
<ul style="list-style-type: none"> Determines narrator's perspective in literary text Evaluates literary text for evidence of bias or stereotypes Infers narrator's attitude in literary text 	<ul style="list-style-type: none"> Determines narrator's perspective in literary text Evaluates literary text for evidence of bias or stereotypes Infers narrator's attitude in literary text 	<ul style="list-style-type: none"> Determines narrator's perspective in literary text Evaluates literary text for evidence of bias or stereotypes Infers narrator's attitude in literary text Infers speaker's attitude in poetry
Characteristics of Genre: Literary		
<ul style="list-style-type: none"> Classifies literary text as a fairy tale Classifies literary text as a nursery rhyme Classifies literary text as a play Classifies literary text as a story Classifies literary text as a story that could happen Classifies literary text as a tall tale Classifies literary text as fantasy Classifies literary text as make-believe Classifies literary text as poetry Classifies literary text as realistic fiction Identifies use of rhyme in poetry Recognizes terms associated with drama Understands characteristics of fairy tales Understands characteristics of fiction 	<ul style="list-style-type: none"> Classifies literary text as a nursery rhyme Classifies literary text as a play Classifies literary text as a story Classifies literary text as a tall tale Classifies literary text as fantasy Classifies literary text as historical fiction Classifies literary text as poetry Classifies literary text as realistic fiction Identifies make-believe statements in literary text Identifies use of repetition in poetry Identifies use of rhyme in poetry Recognizes terms associated with drama Recognizes terms associated with poetry Understands characteristics of fables Understands characteristics of fiction 	<ul style="list-style-type: none"> Classifies literary text as a fable Classifies literary text as a legend Classifies literary text as a story Classifies literary text as historical fiction Classifies literary text as poetry Classifies literary text as realistic fiction Distinguishes between text found in stories and poetry Identifies form or structure in poetry Interprets use of rhyme in poetry Understands characteristics of fiction Understands characteristics of legends Understands characteristics of myths Understands characteristics of plays Understands characteristics of poetry Understands characteristics of tall tales
Dialogue		
		<ul style="list-style-type: none"> Identifies dialogue as the primary structure of a literary text
Mood		
<ul style="list-style-type: none"> Determines mood in literary text Determines mood in poetry 	<ul style="list-style-type: none"> Analyzes how mood is conveyed in literary text Determines mood in literary text Determines mood in poetry 	<ul style="list-style-type: none"> Analyzes how mood is conveyed in literary text Analyzes how setting affects mood Determines mood in literary text Determines mood in poetry
Point of View		
<ul style="list-style-type: none"> Identifies the narrator in literary text Recognizes third-person omniscient point of view 	<ul style="list-style-type: none"> Identifies the narrator in literary text Recognizes first-person point of view Recognizes third-person omniscient point of view Understands how first-person and third-person narratives differ 	<ul style="list-style-type: none"> Analyzes the effect of narrator's point of view Identifies the narrator in literary text Recognizes first-person point of view Recognizes third-person omniscient point of view Understands how first-person and third-person narratives differ

Setting		
		<ul style="list-style-type: none"> Analyzes how setting affects mood
Text Structure: Organization		
		<ul style="list-style-type: none"> Analyzes the use of a chronology structure in informational text Identifies form or structure in poetry

Goal: Informational Text

Sub-goal: Informational Text: Key Ideas and Details

181-190	191-200	201-210
Reinforce these skills & concepts	Develop these skills & concepts	Introduce these skills & concepts

Author's Craft: Persuasive and Rhetorical Techniques

		<ul style="list-style-type: none"> Analyzes techniques used by an author to illustrate or emphasize ideas
--	--	--

Facts and Opinions

<ul style="list-style-type: none"> Determines whether a statement is fact or opinion Distinguishes fact from opinion in informational text 	<ul style="list-style-type: none"> Determines whether a statement is fact or opinion Distinguishes fact from opinion in advertising Distinguishes fact from opinion in argumentative text Distinguishes fact from opinion in charts Distinguishes fact from opinion in informational text 	<ul style="list-style-type: none"> Determines whether a statement is fact or opinion Distinguishes fact from opinion in advertising Distinguishes fact from opinion in argumentative text Distinguishes fact from opinion in informational text
--	--	---

Following Directions

<ul style="list-style-type: none"> Locates information in a set of directions Understands sequence in a set of directions 	<ul style="list-style-type: none"> Draws conclusions from a set of directions Locates information in a set of directions Understands sequence in a set of directions 	<ul style="list-style-type: none"> Locates information in a set of directions Understands sequence in a set of directions
---	---	---

Inferences, Conclusions, Predictions

<ul style="list-style-type: none"> Compares and contrasts ideas described in informational text Draws conclusions from informational text Infers cause in informational text Infers the word that completes predictable text Makes inferences about the author of informational text Makes inferences from definitions Makes inferences from informational text Makes inferences from literary nonfiction Makes predictions from informational 	<ul style="list-style-type: none"> Compares and contrasts ideas described in informational text Draws conclusions from a set of directions Draws conclusions from informational text Infers cause in informational text Infers cause in literary nonfiction Makes inferences about the author of informational text Makes inferences from a set of directions Makes inferences from definitions Makes inferences from informational text Makes inferences from literary nonfiction Makes predictions from informational text 	<ul style="list-style-type: none"> Compares and contrasts ideas described in informational text Draws conclusions from informational text Infers cause in informational text Infers cause in literary nonfiction Makes inferences about the author of informational text Makes inferences from a set of directions Makes inferences from definitions Makes inferences from informational text Makes inferences from literary nonfiction

Text Features. Visuals

<ul style="list-style-type: none"> Analyzes information in charts or graphs Analyzes information in timelines Analyzes information in Venn diagrams or other graphic organizers Understands the purpose of a glossary Understands the purpose of a title page Understands the purpose of an index 	<ul style="list-style-type: none"> Analyzes information in charts or graphs Analyzes information in schedules Analyzes information in timelines Analyzes information in Venn diagrams or other graphic organizers Infers specific purpose of a graphic Infers specific purpose of parentheses Understands the purpose of a glossary Understands the purpose of a table of contents Understands the purpose of an index Understands the purpose of captions Understands the purpose of subheadings Understands the purpose of varied typeface in informational text Understands the purpose of white space 	<ul style="list-style-type: none"> Analyzes information in charts or graphs Analyzes information in maps Analyzes information in timelines Analyzes information in Venn diagrams or other graphic organizers Understands the purpose of a glossary Understands the purpose of a title Understands the purpose of headings Understands the purpose of subheadings Understands the purpose of varied typeface in informational text
Text Structure: Organization		
	<ul style="list-style-type: none"> Analyzes the use of a compare-contrast structure in informational text Identifies cause-effect as a structure in informational text Identifies compare-contrast as a structure in informational text 	<ul style="list-style-type: none"> Analyzes the use of a chronology structure in informational text Analyzes the use of a compare-contrast structure in informational text Compares and contrasts organizational structure in multiple texts Identifies cause-effect as a structure in informational text Identifies chronology as a structure in informational text Identifies compare-contrast as a structure in informational text Identifies process as a structure in informational text
Word Nuances and Shades of Meaning		
	<ul style="list-style-type: none"> Uses context to determine connotation of words 	<ul style="list-style-type: none"> Uses context to determine connotation of words

Goal: Vocabulary Acquisition and Use

Sub-goal: Context Clues and Reference

181-190 Reinforce these skills & concepts	191-200 Develop these skills & concepts	201-210 Introduce these skills & concepts
Academic and Content Vocabulary		
<ul style="list-style-type: none"> Identifies words that best fit given contexts Uses context to determine the meaning of academic words or phrases in informational text Uses context to determine the meaning of academic words or phrases in literary text Uses context to determine the meaning of domain-specific words or phrases in informational text Uses context to determine the meaning of domain-specific words or phrases in informational text 	<ul style="list-style-type: none"> Uses context to determine the meaning of academic words or phrases in informational text Uses context to determine the meaning of academic words or phrases in literary text Uses context to determine the meaning of domain-specific words or phrases in informational text Uses context to determine the meaning of words or phrases that show a compare or contrast relationship 	<ul style="list-style-type: none"> Uses context to determine the meaning of academic words or phrases in informational text Uses context to determine the meaning of academic words or phrases in literary text Uses context to determine the meaning of domain-specific words or phrases in informational text

- Uses context to determine the meaning of words or phrases that convey a specific action
- Uses context to determine the meaning of words or phrases that convey a specific emotion
- Uses context to determine the meaning of words or phrases that show a spatial relationship

Author's Craft: Figurative Language

- Infers the meaning of a phrase in a literary text
- Infers the meaning of a phrase in a literary text

Base Words, Affixes

- Applies knowledge of affixes to determine the meaning of a word in the 2-5 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 2-5 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 6-8 grade band
- Applies understanding of word meaning to define a compound word
- Understands how the prefix dis-, mis- or non- changes the meaning of a word
- Understands how the prefix im- or in- changes the meaning of a word
- Understands how the prefix un- or re- changes the meaning of a word
- Understands how the suffix -able or -ible changes the meaning of a word
- Understands how the suffix -er or -or changes the meaning of a noun
- Understands how the suffix -ion or -tion changes the meaning of a word
- Understands how the suffix -less or -ful changes the meaning of a word
- Understands that individual words combine to form compound words
- Understands that the suffix -est creates the superlative

- Applies knowledge of affixes to determine the meaning of a word in the 2-5 grade band
- Applies knowledge of affixes to determine the meaning of a word in the 6-8 grade band
- Applies knowledge of affixes to determine the meaning of words in the 9-12 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 2-5 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 6-8 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 9-12 grade band
- Applies understanding of word meaning to define a compound word
- Identifies the meaning of common affixes
- Identifies the meaning of common Greek and Latin roots
- Understands how the prefix dis-, mis- or non- changes the meaning of a word
- Understands how the prefix im- or in- changes the meaning of a word
- Understands how the prefix un- or re- changes the meaning of a word
- Understands how the suffix -able or -ible changes the meaning of a word
- Understands how the suffix -er or -or changes the meaning of a noun
- Understands how the suffix -less or -ful changes the meaning of a word
- Understands that individual words combine to form compound words
- Understands that the suffix -er creates the comparative
- Understands that the suffix -est creates the superlative
- Uses a defined affix as a clue to the meaning of a word
- Uses a defined root as a clue to the meaning of a word
- Uses definitions of roots and affixes to determine word meaning

- Applies knowledge of affixes to determine the meaning of a word in the 2-5 grade band
- Applies knowledge of affixes to determine the meaning of a word in the 6-8 grade band
- Applies knowledge of affixes to determine the meaning of words in the 9-12 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 6-8 grade band
- Applies knowledge of Greek or Latin roots to determine the meaning of a word in the 9-12 grade band
- Identifies the meaning of common affixes
- Identifies the meaning of common Greek and Latin roots
- Understands how the prefix dis- changes the meaning of a word
- Understands how the prefix un- or re- changes the meaning of a word
- Understands how the suffix -able or -ible changes the meaning of a word
- Understands how the suffix -er or -or changes the meaning of a noun
- Understands how the suffix -less or -ful changes the meaning of a word
- Understands that the suffix -er creates the comparative
- Uses a defined affix as a clue to the meaning of a word
- Uses a defined root as a clue to the meaning of a word
- Uses definitions of roots and affixes to determine word meaning
- Uses definitions to determine the meaning of Latin and Greek roots

determine word meaning

Context Clues: Unknown and Multiple-Meaning Words

- Applies understanding of word meaning to multiple uses of the word
- Determines which meaning of a multiple-meaning word in the 2-5 grade band fits a given context
- Identifies words or phrases in context that signal or provide a definition of other words
- Synthesizes context and definitions to demonstrate understanding of words
- Uses context to determine the meaning of a phrase
- Uses context to determine the meaning of academic words or phrases in informational text
- Uses context to determine the meaning of domain-specific words or phrases in informational text
- Uses context to determine the meaning of words in the 2-5 grade band
- Uses context to determine the meaning of words in the 6-8 grade band
- Uses context to determine the meaning of words in the 9-12 grade band
- Uses context to determine the meaning of words or phrases that convey a specific action
- Uses context to determine the meaning of words or phrases that convey a specific emotion
- Uses context to determine the meaning of words or phrases that show a spatial relationship

- Applies understanding of word meaning to multiple uses of the word
- Determines which meaning of a multiple-meaning word in the 2-5 grade band fits a given context
- Identifies words or phrases in context that show a comparison
- Identifies words or phrases in context that signal or provide a definition of other words
- Synthesizes context and definitions to demonstrate understanding of words
- Uses context to confirm initial understanding of words or phrases
- Uses context to determine the meaning of a phrase
- Uses context to determine the meaning of academic words or phrases in informational text
- Uses context to determine the meaning of domain-specific words or phrases in informational text
- Uses context to determine the meaning of words in the 2-5 grade band
- Uses context to determine the meaning of words in the 6-8 grade band
- Uses context to determine the meaning of words in the 9-12 grade band
- Uses context to determine the meaning of words or phrases that show a compare or contrast relationship

- Applies understanding of word meaning to multiple uses of the word
- Determines which meaning of a multiple-meaning word in the 2-5 grade band fits a given context
- Determines which meaning of a multiple-meaning word in the 9-12 grade band fits a given context
- Identifies words or phrases in context that signal or provide a definition of other words
- Synthesizes context and definitions to demonstrate understanding of words
- Uses a definition to confirm initial understanding of word meaning
- Uses context to confirm initial understanding of words or phrases
- Uses context to determine the meaning of a phrase
- Uses context to determine the meaning of academic words or phrases in informational text
- Uses context to determine the meaning of domain-specific words or phrases in informational text
- Uses context to determine the meaning of words in the 2-5 grade band
- Uses context to determine the meaning of words in the 6-8 grade band
